

Bermuda Spelling Bee

Verbal Victory, Bermuda-registered charity #1040, is organising a Spelling Bee to start in 2024-25. Join us in making this initiative a reality!

MISSION

Our mission is to design and promote a supportive learning platform that affords every student the opportunity to develop cognitive, literacy, and life skills that reach into all forms of communication.

VISION

We envision creating a Bermuda Spelling Bee of world-class standing, developing in students a life-long curiosity in literacy, inspiring them to strive for excellence in all aspects of their lives.

PURPOSE

The Bermuda Spelling Bee is more than just a competition; it's an educational event aimed at equipping spellers with tools to help them develop a rich vocabulary, promoting clear communication skills, and enhancing good study habits. Our purpose is to expand each participating student's vocabulary and foster a love for the written word by encouraging positive and purposeful reading habits. This initiative engages public, private and home school students and provides beneficial extracurricular activities as they pursue their education. Our ultimate goal is to make the Bermuda Spelling Bee a permanent fixture in Bermuda's calendar of events and potentially expand it into a regional competition.

We believe that with the support of generous sponsors, we can continue to enrich the educational experience of Bermuda's students and contribute to their future success. Sponsors will not only be contributing to the educational development of our students but also aligning their brand with a noble cause that promotes literacy, confidence and communication skills. Their support will help us achieve our mission and vision while making a lasting impact on the lives of Bermuda's youth.
